Budget Estimate of Malavalli
Town Municipality for the
year 1942-1943

-ooo-

I have the honor to forward herewith the Budget Estimates of Malavalli Town Municipality together with the necessary statements and the resolution of the Municipal Council for favour of sanction.

2 The Municipal Council anticipates an income of Rs 29,353/- for 42-43 as against an income of Rs 23190/ and 20,669/- under sanctioned and revised estimates respectively for 1941-42

3 Under Taxes on Buildings and Lands a sum of Rs 6000/- is anticipated as against a realisation of Rs 4250/- under revised estimate for 41-42 It is explained that as a Special Revenue Inspector is since appointed for collection of arrears, the increased anticipated income will be realised As against the sanctioned estimate of Rs 6000/- only a sum of Rs 4250/- is realised The anticipated income, though high, may be retained in the circumstances explained

4 Under 'Tolls' an income of Rs 4200/- is anticipated for 42-43 as against an income of Rs 4300/- and Rs 3600/- for 41-42 under revised and sanctioned estimates respectively It is not explained why a lesser

income is anticipated than the income realised The income may perhaps be increased by Rs 200/- to conform to the revised estimate of the current year

5 An income of Rs 400/- is anticipated under 'C' Rents on Buildings, lands etc , for 42-43 while under revised estimate a sum of Rs 550/- is realised It is not explained why a lesser income is anticipated than what is realised Hence the income may be raised to Rs 500/-

6 A sum of Rs 2000/- is anticipated by sale of lands etc , for 42-43 It is explained that this income is expected by the sale of sites in the extension proposed to be formed For the formation of the extension, the Municipal Council have requested Government for the grant of a loan of Rs 15,000/- and the matter is under correspondence The income anticipated may be retained

7 Under 'Fees from Markets' a sum of Rs 250/- is anticipated for 42-43 as against Rs 350/- for 41-42 under revised estimate and Rs 365-14-6 during 1940-41 No explanation is offered for the anticipated decreased income Hence the income may be raised to Rs 350/-

8 Under 'D' grants from Government' a sum of Rs 5300/- is anticipated for 42-43 as per detailed details noted in the margin Item No 1 may be retained as Government grant this sum every year but the other two items may be deleted pending distribution of Town Improvement Grants for 1942-43

1 Govt Grant for the High School	Rs 1300/-	
2 For slum clearance	1000/-	
3 Towards construction of the High School Building	3000/-	
	Rs 5300/-	

The other items of receipts call for no remarks and may therefore be retained .

9 Expenditure The Municipal Council have provided a sum of Rs 29,202/- towards expenditure for 42-43 as against the sum of Rs 22,037/- and 24,281/- respectively under revised and sanctioned Budget for 1941-42

10 Under 'A2 Municipal Office - Temporary Establishment', a sum of Rs 315/- is provided with a view to continue

the post of the second clerk on 20-1-25 and a Record Sorter for a period of 3 months This may be retained subject to the condition that the expenditure should be incurred after obtaining sanction of competent authority

11 Under 'Travelling Allowance' a sum of Rs 150/- is provided for 42-43 The sum provided is very high This may be reduced to Rs 100/-

12 A sum of Rs 50/- provided for advertisement charges may be deleted

13 Under 'Lighting Charges' a sum of Rs 2800/- is provided for 42-43 as per sanctioned and revised estimates for 41-42 As an economy measure, the number of street lights have been reduced Consequently the entire sum provided may not be required for 42-43 It may be reduced to Rs 2500/-

14 Under 'C Public Works' to be carried out by P W D ', a sum of Rs 3000/- is provided towards the completion of the High School building An equal sum anticipated as Government Grant has been deleted pending distribution of Government Grants The sum provided may be retained as the Municipal Council have to pay this sum irrespective of the Government Grant for completing the building

15 Under 'D Public Works carried out by Civil Department', a sum of Rs 1000/- for original works and Rs 2000/- for slum clearance is provided A sum of Rs 1000/- has been deleted under receipt side pending distribution of Town Improvement Grant. As the Municipal Couhcil have undertaken to complete the High School building, the provision made for slum clearance may be deleted

16 Under 'E 5 - Maintenance of Gardens - Purchase of plants and Seeds', a sum of Rs 150/- is provided This may be reduced to Rs 50/- as a similar sum has been incurred during 41-42

17 Under 'F(b) Provincial Funds' a sum of Rs 400/- is provided Perhaps the sum provided is to pay the sum of Rs 400/ anticipated under 'Education Cess' This sum should have been shown under Debt Head as no part of this sum goes to Municipal Funds This may be retained

18 A sum of Rs 400/- is provided under 'Miscellaneous - Law Charges' for 42-43 which only a sum of Rs 100/- was spent during 41-42 as against the sanctioned budget of Rs 400/- This ~~budget of Rs 400~~ may be limited to Rs 150/-

19 The other items of expenditure do not call for any remarks and may therefore be retained

20 With the above modifications, the financial position will be as follows -

Opening Balance	3484-0-0	Total Receipts	25653-0-0
Receipts for 42-43	25653-0-0	Deduct Extra-ordinary items	2635-0-0
Total	29137-0-0	Total	23018-0-0
Expenditure for 42-43	26452-0-0	Total expenditure	26452-0-0
		Deduct Extra-ordinary items	6000-0-0
Closing balance	2685-0-0	Normal expenditure	20402-0-0

21 The normal expenditure is within normal income but the statutory minimum is not maintained This is due to the Municipality making provision for slum clearance and other items of improvement from out of normal income As the Municipal Council have undertaken to complete the High School building, they have to meet the expenditure out of their normal receipt The; expect a grant of Rs 3000/- from Government for this purpose As their anticipation seems to be reasonable ~~to~~ the financial position of the Municipality is not very sound, I strongly recommend that a grant of Rs 3000/- may kindly be made from Government for the completion of the High School building which was started so long back as in the year 1939

22 I request you kindly to obtain sanction of Govt , for the budget of the Municipality for 1942-43

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District
